Fresno Pacific University Annual Security and Fire Safety Report

Introduction

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act was enacted by the United States Congress and signed into law by President George H. W. Bush in 1990. In addition, new federal regulations were published October 29, 2009 by the U.S. Department of Education.

These federal regulations apply to all institutions of higher learning, both public and private, that participate in any federally funded student aid programs. They also require these institutions to publicly disclose three years of campus crime and fire statistics and basic security policies.

To be in compliance with federal regulations, Fresno Pacific University has several obligations. They fall into three main categories: 1) policy disclosure, 2) records collection and retention, and 3) information dissemination. The next several pages present the crime and fire statistics from the past three years. Policies and guidelines for security and fire safety follow.

Annual Security and Fire Safety Policy

Introduction

Policy Disclosure

This document provides the campus community and the public with accurate statements of its current policies and practices regarding procedures for students and others to report criminal actions, fires or other emergencies occurring on campus, security of and access to campus facilities, and campus law enforcement.

Records Collection and Retention

FPU is required to keep some campus records and to request records from law enforcement agencies. Records of crimes and fires reported to campus security authorities are kept. A reasonable good-faith effort is made to obtain certain crime statistics from appropriate law enforcement agencies and to include it in an annual security report and the Web-based report to the Education Department. A daily **crime log** and a daily **fire log** is open to public inspection and available at the Department of Campus Safety.

Information Dissemination

To provide campus community members with information necessary to make informed decisions about their safety, information is disseminated in several ways. Unless otherwise noted, the Vice President for Finance and Business Affairs in conjunction with the Department of Campus Safety is responsible to see that the policies and procedures are carried out.

- A *timely warning* of any Clery Act crime that might represent an ongoing threat to the safety of students and/or staff is provided. The President and his cabinet are responsible to see that timely warnings are carried out.
- Emergency notification procedures will be followed if there is an immediate threat to the health or safety of students or employees.
- Access to the crime log and the fire log is provided during normal business hours at the main campus and at the centers.
- An annual security and fire safety report is posted on the university website and all current students and employees are notified via email annually by October 1. A printed copy is available from the Department of Campus Safety.

- Prospective students and employees are also notified about the content and availability of the report. The directors of admissions are responsible to inform prospective students and the director of human resources is responsible for informing prospective employees.
- The campus community is informed where to obtain the information about registered sex offenders later in this report.
- FPU crime statistics and fire statistics are submitted to the Education Department through the Web-based data collection system.

Crime Data

A crime is reported when it is brought to the attention of a campus security authority or the local police by a victim, witness, a third party or even the offender. Fresno Pacific University discloses reported crimes and crime statistics based on four factors: 1) where the crime occurred, 2) the type of crime, 3) to whom the crime was reported, and 4) when the crime was reported.

FPU discloses crime reports regardless of whether any of the individuals involved in either the crime itself, or in the reporting of the crime, are associated with the institution. If the institution is in doubt as to whether a crime has been reported, the institution relies on the judgment of law enforcement professionals.

FPU discloses three general categories of crime statistics:

1. Types of Offenses: Criminal homicide; including murder, and non-negligent manslaughter and negligent man-slaughter; sex offenses including forcible and non-forcible; robbery; larceny-theft; simple or aggravated assault; intimidation; burglary; destruction/damage/vandalism of property; motor vehicle theft and arson.
2. Hate Crimes: disclose whether any of the above-mentioned offenses, or any other crimes involving bodily injury, were hate crimes. A hate crime occurs when the perpetrator is motivated by one of six categories of bias: race, gender, religion, sexual orientation, ethnicity/national origin, or disability.
3. Arrests and referrals for disciplinary action for illegal weapons possession and violation of drug and liquor laws.

In addition to disclosing statistics for the aforementioned offenses, FPU discloses both the number of arrests and the number of persons referred for disciplinary action. Violations of FPU policies that resulted in persons referred for disciplinary action if there is no violation of the law are not reported.

Arrest for Clery Act purposes is defined as persons processed by arrest, citation, or summons.

Crime Log

Access to the crime log is provided at each campus during normal business hours. Information for the past 60 days is available immediately upon request. Older information is available with two days' notice. The crime log includes the crime classification, date/time reported; date/time occurred, general location, and disposition.

Campus Safety

Department of Campus Safety

The FPU Department of Campus Safety is located at 1719 S. Winery Avenue (on Winery Avenue south of Hamilton Avenue) in the Facilities Management Building of the Main Campus. The department is staffed and operational 24 hours a day, seven days a week, year round. Campus Safety Officers patrol the Fresno Campus 24 hours a day. The North Fresno, Visalia, and Bakersfield Centers are patrolled when class is in session by a third-party security company. The campuses in North Fresno, Visalia, Bakersfield and Merced are not operational on a 24-hour/day basis and thus are not patrolled on a 24 hour basis.

The Department of Campus Safety's goal is to ensure the safety and security of faculty, staff, students and visitors. This goal is carried out via vehicle patrols, foot patrols, bicycle patrols, escorts, preparing written reports of crimes and incidents, observation and reporting concerns. Campus Safety Officers are not sworn peace officers. All full-time officers are registered with the California Department of Justice, Division of Consumer Affairs as security officers and have completed as a minimum, California Penal Code 832 and 832.3 training as prescribed by P.O.S.T. specifications. The Department of Campus Safety works closely with the Fresno Police Department and other local, state and federal law enforcement agencies, reporting all serious crimes to the agency having jurisdiction. The Fresno Police Department responds to the main campus and the North Fresno Center when immediate response is requested, since the

campuses are within the City of Fresno limits. The Visalia Police Department responds to the Visalia campus, the Bakersfield Police Department responds for the Bakersfield campus and the Merced Police Department responds to the Merced center. Safety officers do not have peace officer authority to arrest individuals based on PC 832 but may detain them until the arrival of local law enforcement with probable cause or may affect a private person's arrest per PC 834.

Campus Security Authorities

In addition to the Department of Campus Safety, certain officials have significant responsibility for student and campus activities. Crimes may also be reported to these individuals.

- Dean of Students
- Director of Residence Life
- Director of Athletics
- Team Coaches
- Faculty Mentors/Advisors
- Resident Directors
- Resident Assistants
- Regional Center Directors

These individuals are trained annually on how to report a crime.

It is important to note that the University Pastor and professional counselors are exempt from reporting crimes under the Clery Act. They may however encourage their clients to voluntarily report crime to the Department of Campus Safety or one of the above mentioned persons.

Security and Access to Buildings

Generally, buildings on the campus are open Monday through Friday, 7:00 A. M. to 10:00 P.M. and closed on the weekends and holidays unless classes or other authorized functions have been scheduled. Department of Campus Safety personnel are prepared to assist those needing access to a building or classroom. University identification must be provided upon request and authorization to enter a building/classroom must be documented and on file with the Department of Campus Safety prior to granting access afterhours.

Safety and Crime Prevention Education

Safety and security information is presented annually at traditional undergraduate new student orientation. This information is also presented annually with students who live in campus housing. For other students this report, which contains safety and crime prevention information, is posted on the university web site. Students are notified of its existence annually.

Reporting Crimes and Requesting Assistance

Reporting crimes is vital to achieving our goal of providing a safe learning and working environment for the campus community. Persons who are either a victim of or witness to a crime should report the occurrence as soon as is practical to either the Department of Campus Safety or their local law enforcement agency. Reporting such occurrences by either victims or witnesses may be accomplished on a voluntary basis. At times, sensitive situations may occur and the Department of Campus Safety Officers may cooperate with individuals on a confidential basis. However privileges of confidentiality in criminal matters that are referred for prosecution in a court of law may be subject to exposure. The main campus and the North Fresno campus will work with the Fresno County District Attorney's Office on these matters. The Visalia Center will work with the Tulare County District Attorney's Office and the Bakersfield Center will work in conjunction with the Kern County District Attorney's Office. The welfare of the victim and/or victims is paramount.

Housing residents may also contact the Department of Campus Safety for response by on duty Campus Safety Officers. To report a crime or incident, call (559) 453-2298, or for emergencies, call **911** from any campus telephone.

Emergency Telephones

Emergency telephones have been placed throughout the main campus and in building elevators. They are marked on the campus maps. To operate the telephones within the boxes, open the door and dial 2298 for Campus Safety or Dial 911 for Emergencies.

If you dial 911 for an Emergency, you will be connected with a Fresno Police Department Dispatcher. Be prepared to provide the following information:

- 1. Your name, telephone number, and location.**
- 2. Describe the incident as clearly and accurately as possible.**
- 3. Do not hang up. Let the individual providing the help end the call. More information may be requested.**

Cell Phones

If you are making an emergency telephone call from a cell phone, it is advisable to dial **(559) 453-2298** rather than emergency 911 as calls made from cell

phones are answered by the California Highway Patrol. The California Highway Patrol dispatcher must be advised that your call is from Fresno Pacific University and your specific location must be provided, possibly delaying assistance. The Highway Patrol Dispatcher should connect the call to local law enforcement. When connected to the Campus Safety Dispatcher be prepared to provide the above mentioned information.

Emergency Phone Towers

To operate the 13 foot tall tower type emergency phones push the button located on the front and to the right of the silver speaker box to summon help. Be prepared to provide the above mentioned information.

Safety Escort Services

Radio-equipped, uniformed and trained Campus Safety Officers are available to accompany students, staff, faculty and visitors to and from their destinations on the main campus 24 hours/7 days a week. Call **(559) 453-2298** or locate any emergency phone and request a safety escort.

Safety Survey

Upon request Campus Safety Officers will evaluate any university facility and make recommendations to increase personal safety and strengthen crime prevention. To arrange for a Safety Survey call the Department of Campus Safety at (559) 453-2298.

Lighting and Landscape Safety

Campus Safety Officers work closely with facilities personnel regarding lighting and landscaping maintenance to enhance safety and crime prevention. Campus Safety Officers will often notify facilities personnel in the event any of the university lights are not functioning or should physical facilities need addressing.

Timely Warnings

Code of Federal Regulations 668.46(e). In the event that a situation arises, either on or off campus that in the judgment of competent university authority constitutes an ongoing or continuing threat, a campus-wide *timely warning* will be issued. The *timely warning* bulletins must be related to a crime that is reportable under The Clery Act and represents a threat to the campus community; i.e. murder, robbery, sexual assault, arson, etc.

Persons with information warranting a timely warning should report the circumstances to the Department of Campus Safety, 1719 S. Winery Avenue or other university supervisory personnel. The university president and cabinet, in

consultation with the Chief of Campus Safety or his designee, will approve all *timely warnings* prior to posting.

Reasonable steps will be taken to notify campus personnel, including but not limited to emails, texting, cell phones, voice messages, and/or public postings, as appropriate to the situation. Students, staff and faculty who wish to sign up for the cellular telephone emergency notification service can do so online by logging into CampusCruiser and following the prompts. A notification of this opportunity is made annually.

Persons with information warranting a timely warning should report the nature of the warning to the Department of Campus Safety or other university supervisory personnel.

Emergency Response and Evacuation Procedures

Upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus, the university will use this process:

1. Confirm that such an emergency exists;
2. Determine the appropriate segment or segments of the campus community to receive a notification;
3. Determine the content of the notification; and
4. Initiate the notification system.

FPU will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The university president and cabinet, in consultation with the chief of campus safety or his designee, will be responsible for the emergency response and evacuation procedures.

Reasonable steps will be taken to notify campus personnel, including but not limited to personal visits by Campus Safety Officers, personal visits by President's Cabinet members, emails, texting, cell phones, and/or voice messages, as appropriate to the situation. Students, staff and faculty who wish to sign up for the cellular telephone emergency notification service can do so online by logging into CampusCruiser and following the prompts.

On at least an annual basis the Vice President of Business and Finance will instruct the department of Campus Safety to conduct a test of the emergency response and evacuation procedures, including

1. Tests that may be announced or unannounced;

2. Publicizing its emergency response and evacuation procedures in conjunction with at least one test per calendar year; and
3. Documenting, for each test, a description of the exercise, the date, time, and whether it was announced or unannounced.

Tests are defined as regularly scheduled drills, exercises, and appropriate follow-through activities designed for assessment and evaluation of emergency plans and capabilities.

Alcohol and Drugs

Alcohol/Drug Policy

Fresno Pacific University is dedicated to creating a safe and healthy learning environment for all in the campus community. All students and employees are prohibited from unlawful possession, sales, manufacture, use and/or distribution of illegal drugs and alcohol on property used or owned by FPU. Sexual Assault

Sexual Assault Policy

Campus community personnel are keenly aware that the victim of a sexual assault may be physically and/or emotionally traumatized by an attack and each occurrence requires prompt and immediate attention. Sexual assaults are not tolerated and each incident will be investigated, and the appropriate disciplinary, criminal or legal actions will be taken with the consent of the victim.

Education

A brochure that promotes awareness of rape, acquaintance rape and other forcible and non-forcible sex offenses is available in the Student Health Center .

If you are the victim of a sexual assault, please do the following:

- Go to a safe place as soon as you are able.
- Contact someone you trust.
- Try to preserve all of the physical evidence. Do not wash, use the toilet, or change clothing if it can be avoided. If your clothing must be changed, place all of the clothing that you were wearing at the time of the attack in a paper bag. **Do not place the clothing in a plastic bag.** Campus Safety Officers will assist, when requested, in assisting the victim and preserving evidence until law enforcement officers arrive.
- Contact the Campus Safety Department, the Director of Residence Life, the Dean of Student Life or any other university official as soon as possible by calling **911** or **(559) 453-2298** for assistance from a Campus Safety Officer. If the attack did not occur on campus then call the law enforcement agency having jurisdiction where the assault happened. Campus Safety Officers will assist the victim in notifying the appropriate law enforcement agency.
- Obtain medical assistance. Campus Safety Officers will assist when requested, with summoning medical help.
- Speak with a counselor. University officials will assist the victim in contacting a trained professional, whether you wish to seek prosecution or not. Victims have the right to have an advocate or support person present with them.

Fresno Pacific University and its personnel are committed to assisting the victim in any way possible.

The victim's written consent is required for the release of any public information regarding the assault.

Disciplinary Actions for Sexual Assault

Rape, acquaintance rape, and other forcible and non-forcible sex offenses are crimes. All university efforts involving students will be coordinated through Student Life. Criminal sanctions will be coordinated through the Fresno County District Attorney's Office.

- Discipline is handled through a formal restorative justice process that is outlined in the Restorative Discipline handbook, available online. The accuser and accused are entitled to the same opportunities to have others present during the judicial process; Both the accuser and the accused are involved in the resolution of and informed of the outcome of any institutional disciplinary proceeding brought alleging a sex offense (the final determination and any sanction against the accused.)
- In exceptional circumstances, the Judicial Officer, in consultation with the Dean of Student Life, may suspend a student or take other disciplinary action pending a hearing, especially in matters of safety or well-being of the community.

- Sanctions the institution may impose following a final determination of an institutional disciplinary proceeding regarding rape, acquaintance rape or other forcible or non-forcible sex offenses include warning, educational consequences, behavioral contracts, community service, restitution, community service, fines, disciplinary probation, loss of privileges, deferred suspension, suspension, interim suspension, and expulsion.

This contact information will be held confidentially and be accessible only to authorized campus officials and to law enforcement personnel in furtherance of a missing person investigation. If students are under 18 years of age and not emancipated, FPU must also notify a custodial parent or guardian within 24 hours of the determination that the student is missing. Student Housing Rules

Candles, Fires, and Oil Lamps

Burning any open flame item or incense in any university building at any time is prohibited. This includes, but is not limited to oil lamps and all types of candles. Violations of this policy may be referred to the Restorative Discipline Process. Candles are only allowed in campus residences if the wicks are cut off or dislodged from the candle entirely. Candle warmers are permitted.

Appliances and Cooking

Students may have one microwave and one refrigerator (max. 3.0 cubic feet) in each room. Residents may have a coffee maker, but it must contain an automatic shutoff function. Fire regulations prohibit the use of appliances with exposed heating coils. The use of toaster ovens and hot

plates are restricted to house, apartment kitchen and Kriegbaum Suites. Hot plates are not allowed in any other student's rooms. Hot air corn poppers (but not those that use oil) and hot pots that do not have exposed heating coils are permitted in all living areas.

Christmas Trees

Any Christmas trees put up in campus facilities must be flameproof. Please contact Facilities to learn more about this service. Please keep in mind that all Christmas lights must be plugged into a surge protector or an outlet. Students are responsible to appropriately dispose of Christmas trees before the Christmas break.

Electrical Cords

For safety reasons, extension cords are not allowed. However, UL-rated power strips with built-in circuit breakers are an acceptable alternative. The Fresno Fire Department does not allow microwaves, refrigerators or any other heavy appliance to be plugged into a power strip. Microwaves, refrigerators or other heavy appliance must be plugged directly into the wall outlet.

Fire Safety Equipment

Campus fire safety equipment is an important, life-saving necessity. Individuals who tamper with fire safety equipment place themselves and the campus community at risk. Tampering with any smoke detector, fire alarm, fire extinguisher, fire safety map/signs, fire access key or fire exit is strictly prohibited. Any person found responsible for tampering with fire safety equipment will be fined \$50 in addition to any repair or replacement costs. If the person responsible is not identified, the fine and repair/replacement cost will be distributed between all members of the living area.

All fire alarms should be treated as a real emergency and students shall exit all building to the amphitheater, keeping the fire lanes clear. A \$300 fine will be levied for misuse of a fire alarm; this will be applied to your student account. It is a misdemeanor to tamper with fire equipment (under Calif. Penal Code Section 148.4). Damaged equipment or emptied fire extinguishers will incur additional charges. Tampering with smoke detectors will result in a \$25 fine. If a low battery causes the smoke detector or exit alarm to "beep," tell your RA immediately who will then email a work order request to facman@fresno.edu or telephone Facilities Management at ext. 2089 to have the battery replaced. No furniture or personal items may be within 18 inches of the smoke detector or a fire sprinkler. Candles, flammable devices or open flames shall not be permitted or used in any dorm or condo.

Fire Arms and Fireworks

Students may not possess or use fireworks on campus or any FPU facility (Casa Pacifica). Violators will be fined \$300 per incident and /or maybe subject to dismissal. No firearms, BB guns, Air-soft, Paintball guns and ammunitions, knives, switchblades (other than pocket knives) or dangerous weapons as defined in CPC 12020 and 653k and 626.10 P.C. or devices as proscribed by law are permitted on campus or campus housing.

No Smoking

No member of the community may use or possess tobacco, alcohol or illegal drug products on campus. This includes the areas in and around university houses, on the streets Heaton, Garden, and Townsend, within the university block, in the Willow Garden Condominiums and at Casa Pacifica.

Education and Training

FPU provides students and employees with the following education and training programs:

Fire Drills

Fire drills will be conducted among campus housing residents once each semester. Training on fire drill procedures occurs at residence hall meetings annually.

Reporting a Fire/Evacuation Procedures

A fire is defined as any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner. Students are to follow these procedures when a fire occurs.

Notify Campus Safety first, then the residence assistant or residence director and observe the following procedures:

1. Leave room immediately at the sound of the alarm. Be sure doors and windows are closed.
2. Move away from the building. (Emergency evacuation maps are in each module and office.)
3. When the fire alarm is heard, all residents are required to exit to amphitheater. The residence life staff will ensure that all are accounted for.
4. Residents may return to their rooms only after the building has been cleared by the fire department/Campus Safety.

Fire Log

The Department of Campus Safety maintains a fire log that includes the date that the fire was reported, any fire that occurred in an on-campus student housing facility, and the nature, date, time and general location of the fire. Entries must be made within two business days of the receipt of the information. The log for the most recent 60-day period is open to public inspection during normal business hours. Portions of the log older than 60 days are available within two business days of a request for public inspection.
